BROKERAGE EXPERIENCE

Michael is currently in his 6th year with Voit Real Estate Services as a Senior Associate. He joined after graduating from the University of San Diego. Michael has taken on the North Orange County Market with a “boots on the ground” approach, actively marketing and digging up business on a daily basis. He is engaged in both tenant and landlord representation. Michael is responsible for building team business development, marketing and all aspects of sales and leasing. His focus is always on the principles of diligent work and integrity, to ensure that his client’s best interest is the number one priority and that every transaction is as seamless as possible. He spends his spare time working on and enjoying his motorcycles and 1959 Cadillac, which has sharpened his attention to detail, a skill he translates into his business transactions every day.
