

CAREER SUMMARY

Jim Sillasen is the Director of Information Technology for Voit Real Estate Services which is a privately held, broker-owned Southern California commercial real estate firm that has provided strategic property solutions tailored to clients' needs for more than 40 years.

Mr. Sillasen handles the technology needs for the company, using innovative solutions to keep Voit one of the most advanced commercial real estate companies in the region.

Prior to joining Voit, Mr. Sillasen was the Regional Manager of Information Technology for Compass Management and Leasing, later acquired by Jones Lang Lasalle. He is a veteran in the IT world with over 20 years of experience designing, implementing, and managing technology solutions for a wide variety of companies including Twentieth Century Fox, Columbia/Tristar, and Paramount Motion Pictures.
