CAREER SUMMARY

Specialty

John specializes in leasing and sales of mid-sized industrial buildings in the Inland Empire. His knowledge of lease and sale contracts along with his transparent philosophy gives his clients a well-rounded experience. John spends the majority of his time walking the streets and building relationships in person. His understanding of the Inland Empire market paired with his partnerships with other industry experts gives him insight to all on and off market opportunities. John's professionalism and energy make him the broker of choice for clients looking for a transparent and efficient transaction.

Real Estate Background

John's relationships with developers and construction firms along with prominent investors gives his clients access to the most recent trends and projects. His network of industry experts gives him the capability to serve clients outside of his core region. In addition, his willingness to learn and cooperate with his peers and competitors provides his clients with expertise beyond his years.
